1

Direct link

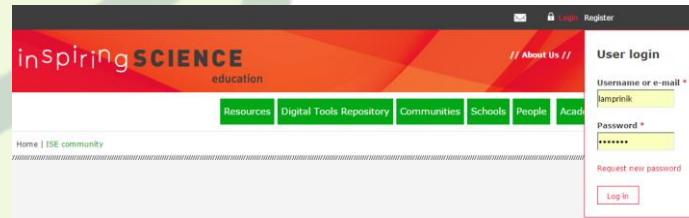

- Use your web browser and just put the link, e.g.
<http://portal.opendiscoveryspace.eu/community/osos-community-848423>

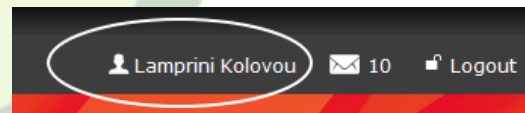

2

Through your profile (my-area)

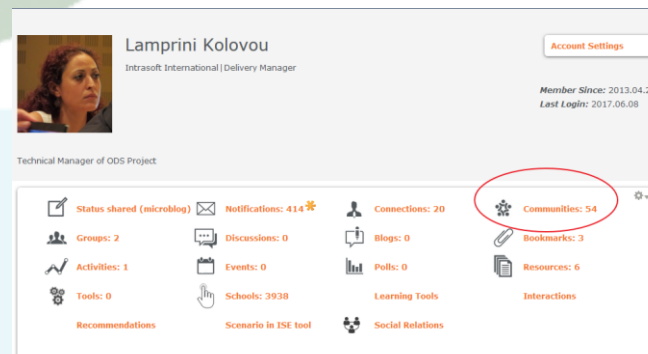

- Login in the portal through ANY page
- Access your profile
- Access your communities
- Select the one that you want to visit

<http://portal.opendiscoveryspace.eu> OR ANY PAGE

The page you logged-in

<http://portal.opendiscoveryspace.eu/my-area>

3

Through search (for all communities)

- Go to search for communities using the main menu
- Use the filters to narrow your search
- Find the community in the list with the results

The screenshot shows the Inspiring Science Education website. The main menu includes 'Resources', 'Digital Tools Repository', 'Communities', 'Schools', 'People', and 'Academies'. The 'Communities' menu item is circled in blue. Below the menu, there is a search bar and a 'Search existing ISE Communities' button. The search results are displayed in a list format, sorted by 'Most Popular'. The first result is 'Isidor', a Mathematics community from Croatia, with 35 members. The second result is 'Математика - BG', a Mathematics community from Bulgaria, with 25 members. The 'Visit the community to see more' link for this result is circled in blue. The third result is 'Guess my Garden', a Mathematics community with 10 members.
