## Understanding ICT in Education

TL.1 Policy Awareness

I am aware of policies and able to articulate in consciously skilled ways how my classroom practices correspond to and support policy.

KD.1 Policy Understanding

I have an in-depth knowledge of national policies and social priorities, and I am able to design, modify, and implement classroom practices that support these policies.

KC.1 Policy Innovation

I understand the intentions of national policies and I am able to contribute to the discussion of education reform policies and participate in the design, implementation, and revision of programmes intended to implement these policies.
